

20th Innovation Forum for Automation

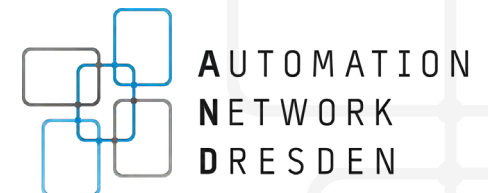

January 26 - 27, 2023
at IAG/DGUV Congress Center
in Dresden, GER

Profile

The forum is brought to you by [Automation Network Dresden \(AND\)](#), whose member companies ([Kontron AIS Dresden](#), [Fabmatics](#), [SYSTEMA](#) and [XENON](#)) are dedicated to bringing you the latest information on significant factory-automation projects as well as new automation technologies spanning various industries with a focus on semiconductor.

The [2-day-Forum](#) provides a platform for [more than 300 international executives, managers, engineers and researchers](#) to discuss the latest [factory automation technology](#) developments, challenges, and solutions.

Each year, we select [one project](#) to honor the drivers for innovation by rewarding them with the '[Innovation Award for Automation](#)' at the AND dinner party.

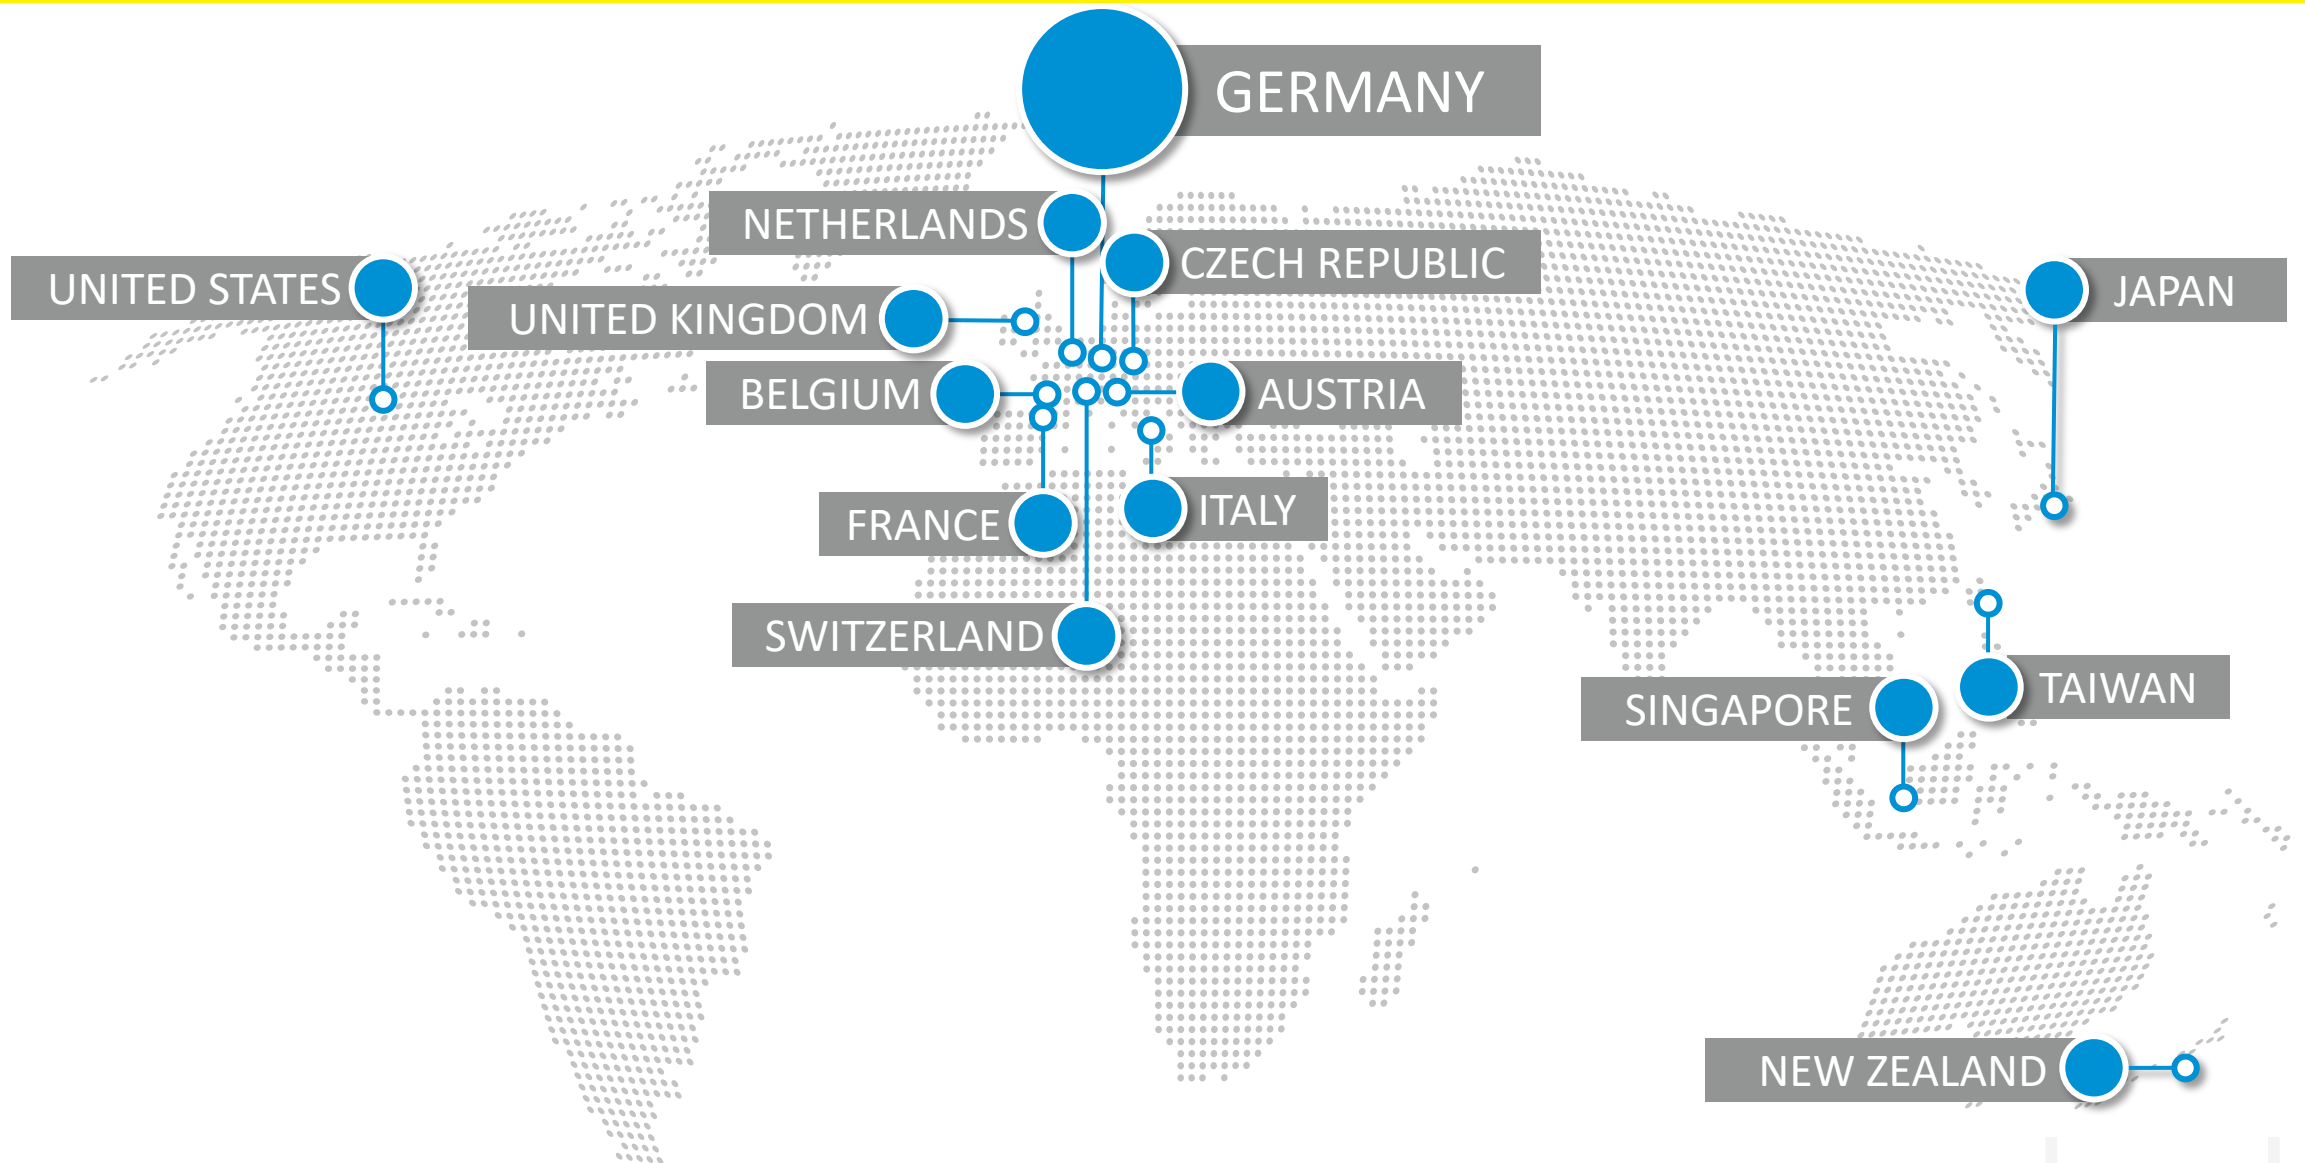

...we innovate manufacturing.

In a nutshell

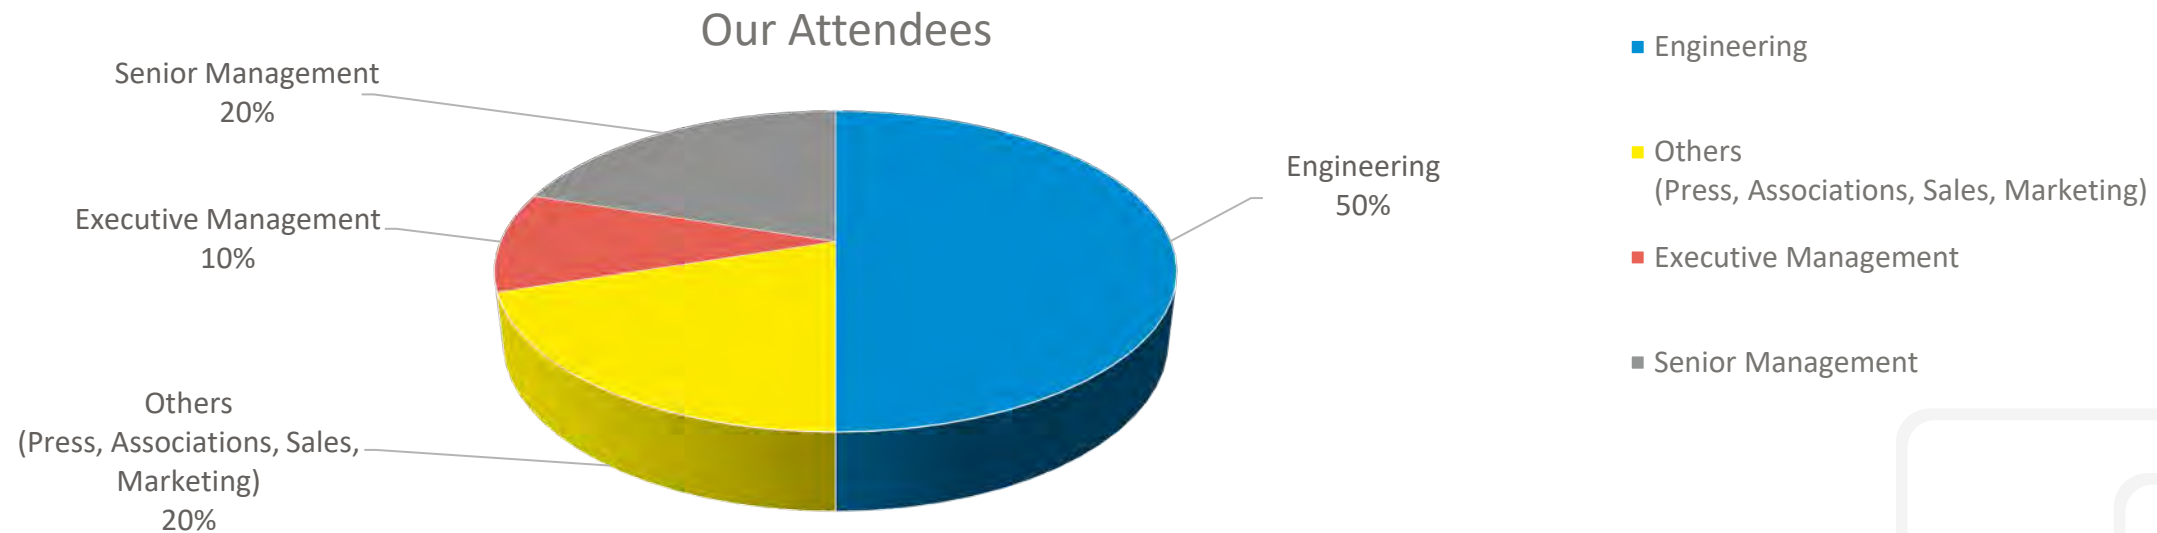

Date:	Once a year, two days in summer Innovation Forum 2023: January 26 - 27
Venue:	IAG/DGUV Congress Center in Dresden, Germany
Language:	English
What to expect:	Excellent Speakers, Industrial Exhibition, Award Ceremony, Networking Dinner Event
Keynotes:	Factory Automation Projects New Technology Solutions for Automation in various Industries
Attendees:	Up to 350 Decision-makers from Industry, Science and Research sectors across the globe
Organized by:	Kontron AIS Dresden, Fabmatics, Systema Systementwicklung, Xenon Automatisierungstechnik
Website:	www.innovation-forum-automation.com

Our Attendees - Specifics

Profile

Kontron AIS Dresden

Being the [benchmark for industrial software](#) has been driving Kontron AIS GmbH for more than 30 years.

The company's [products and solutions support machine and plant manufacturers as well as factory operators in their digitization strategies](#).

In partnership with its customers, Kontron AIS implements concepts from Industry 4.0 and Smart Manufacturing, helping companies to [reduce costs and break new ground in automation](#).

As part of Kontron, we provide comprehensive service and support options for worldwide project execution and support and offers integrated concepts in the area of control and IoT hardware.

Fabmatics

Fabmatics develops **intelligent automation and robotics solutions** for customers from the **semiconductor industry** and helps so to make their production more efficient, faster and safer.

Our product portfolio includes **mobile robots, robot cells, automated transport and storage systems** as well as product identification solutions – integrated material flow automation for the use under clean room conditions from a single source.

Fabmatics is world-wide active and employs at present about 230 employees.

SYSTEMA

SYSTEMA is a leading solutions provider for the manufacturing industries. 240 Experts in Germany, USA, Malaysia, Israel, India, Brazil and Singapore are working to boost business fundamentals with the passion of engineers.

More than 25 years of expertise for the [automation IT consulting, deployment and support in shop floor environments](#) have shaped our tacit knowledge of the industry and its mentality. Our promise is to provide the best solution for manufacturing automation at the highest level of innovation – reliable and professional. Our customers are from the sectors of [semiconductor manufacturing, sensor manufacturing, automotive, electrical engineering and medical technology](#).

According to the principles of digitization of manufacturing, Industry 4.0, we are developing innovative solutions and products for our customers.

XENON Automatisierungstechnik

XENON develops and builds [assembly lines and inspection lines to automate the manufacture of mechatronic components](#).

For more than 25 years, the owner-managed group with its headquarter in Dresden and plants in China and Mexico belongs to the leading German manufacturers of automation systems primarily in the [industries of automotive, electronics and medical](#).

As an independent systems integrator, XENON is a one-stop supplier of high-tech turnkey production lines. With quality, precision and innovation in the long tradition of the Saxon precision engineering, XENON has grown to a size of more than 400 employees worldwide.

Why attend the Innovation Forum?

Your Benefits

Learn more about
state-of-the-art automation
projects, incl. best practices from
different countries

Listen to
the latest results and discoveries
from renowned research institutes
and universities

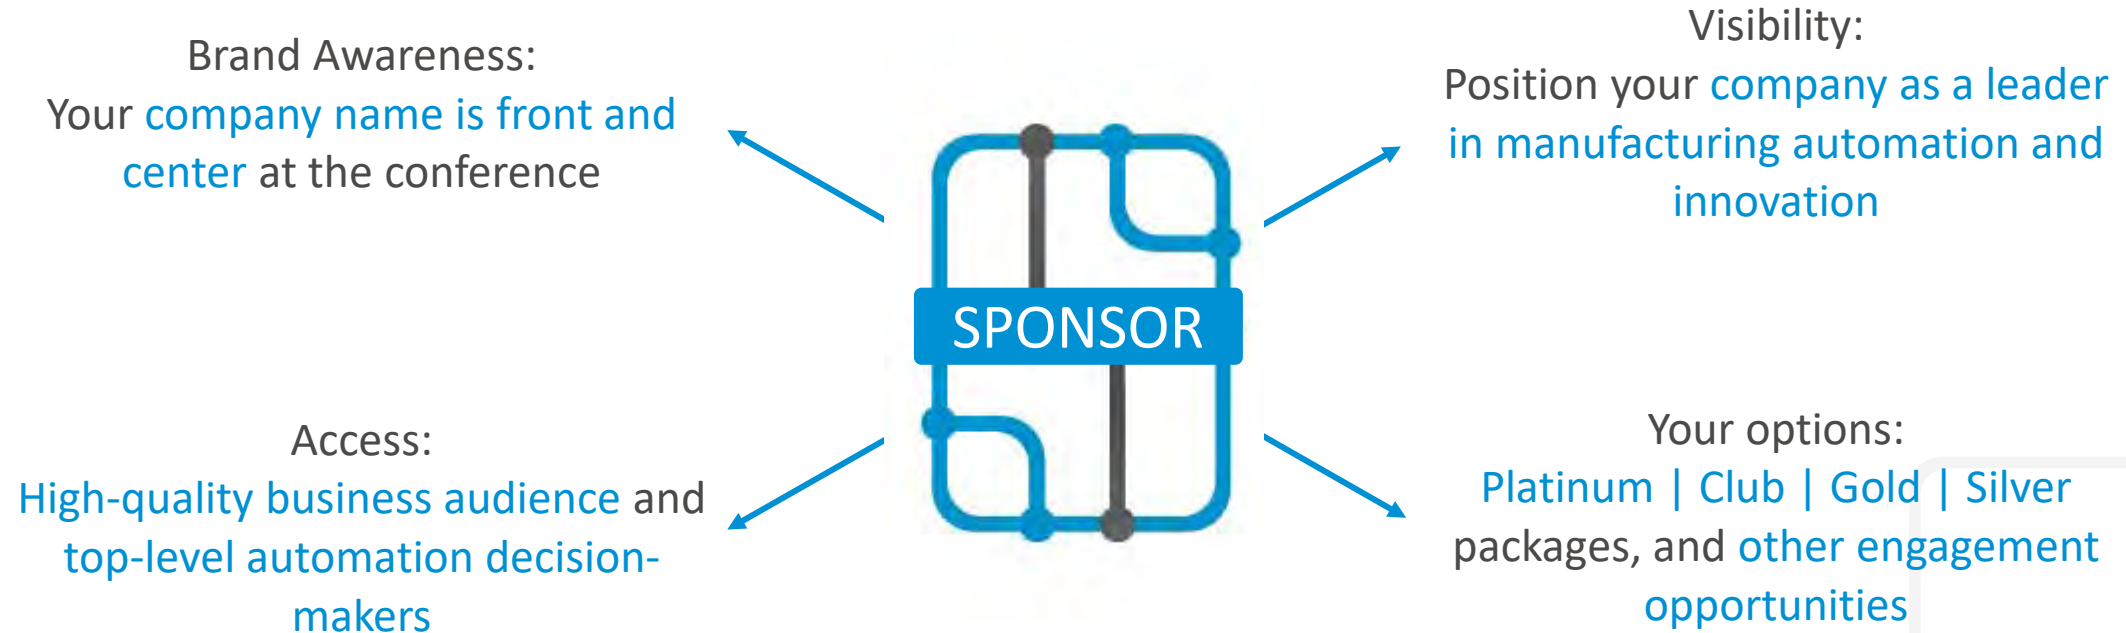

Network with
like-minded engineers & experts
on automation as well as business
developers from various sectors of
industry

Discover
innovative technologies made in
Germany as a possible solution for
the challenges of the future

Why be a Sponsor at the Innovation Forum?

We offer

Platinum Package 1st Conference Day (5,000 €) - **EXCLUSIVE**

- ✓ 35 min Keynote presentation to kick-off the first conference day
- ✓ 4 tickets for both conference days and evening event
- ✓ **New: Elevator Pitch on stage – for your optimal attention (2 min, sponsors pitch round)**
- ✓ Sponsor logo featured on event website (www.innovation-forum-automation.com) and the Event App (LineUp) incl. profile text, link to company website and social media links
- ✓ Sponsors own roll up banner on stage at first conference day
- ✓ Booth in conference area at both conference days
- ✓ Sponsor logo featured in all e-mail blasts
- ✓ Sponsor logo featured in the presentation during opening and break
- ✓ Sponsor logo featured on the name badges on both days
- ✓ Social media promotion
- ✓ Displaying flyers on conference area on both conference days
- ✓ Provision of sponsor give-aways for participants on first conference day

Platinum Package 2nd Conference Day (5,000 €) - EXCLUSIVE

- ✓ 35 min Keynote presentation to kick-off the second conference day
- ✓ 4 tickets for both conference days and evening event
- ✓ **New: Elevator Pitch on stage – for your optimal attention (2 min, sponsors pitch round)**
- ✓ Sponsor logo featured on event website (www.innovation-forum-automation.com) and the Event App (LineUpr) incl. profile text, link to company website and social media links
- ✓ Sponsors own roll up banner on stage at second conference day
- ✓ Booth in conference area at both conference days
- ✓ Sponsor logo featured in all e-mail blasts
- ✓ Sponsor logo featured in the presentation during opening and break
- ✓ Sponsor logo featured on the name badges on both days
- ✓ Social media promotion
- ✓ Displaying flyers on conference area on both conference days
- ✓ Provision of sponsor give-aways for participants on second conference day

Club Package (5,000 €) – EXCLUSIVE presentation at the evening event

- ✓ 10 min welcome speech at evening event & host of award ceremony
- ✓ Sponsor logo and presentation on advertising space during evening event
- ✓ 3 tickets for both conference days and evening event
- ✓ Booth in conference area at both conference days
- ✓ Sponsor logo featured on event website (www.innovation-forum-automation.com) and the Event App (LineUp) incl. profile text, link to company website and social media links
- ✓ Sponsor logo in all e-mail blasts
- ✓ social media promotion
- ✓ Provision of sponsor give-aways for participants at evening event
- ✓ Roll up banner at evening event location
- ✓ Sponsor logo on menu cards

Gold Package (3,000 €)

- ✓ 2 tickets for both conference days and evening event
- ✓ Sponsor logo featured on event website (www.innovation-forum-automation.com) and the Event App (LineUpr) incl. profile text, link to company website and social media links
- ✓ Booth on conference area on both conference days
- ✓ Sponsor logo in the presentation during opening and break
- ✓ Sponsor logo in all e-mail blasts
- ✓ Social media promotion
- ✓ Displaying flyers on conference area

Silver Package (1,000 €)

- ✓ 1 ticket for both conference days and evening event
- ✓ Sponsor logo at event website (www.innovation-forum-automation.com)
- ✓ Displaying flyers on conference area

Further Engagement Opportunities

- ✓ Pens & Pads (exclusive, your forwarding costs), provided by the sponsor, 350 pcs.
- ✓ Mint cards or similar (exclusive, your forwarding costs), provided by the sponsor, 350 pcs.

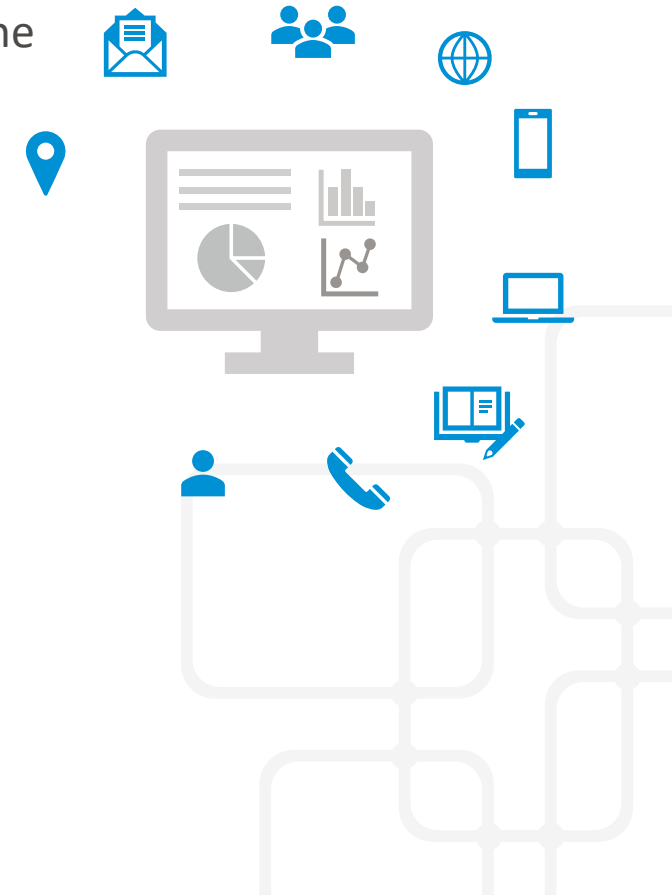

If you have any other ideas or requests, please, get in touch with us.
We will be happy to discuss them with you and find the best way to put them into practice.

Media Channels

Through our **network** and the use of **numerous different media channels**, we promote the Innovation Forum and ensure a high-level audience every year.

- ✓ Professional Invitation Management
(Save-the-date, official invitation, reminder, ...)
- ✓ Online Promotion:
 - Social Media (LinkedIn, YouTube, Xing, Twitter, Facebook)
 - AND Website & Company Websites (Kontron AIS, Fabmatics, Systema, Xenon)
 - Industry Newsletters
- ✓ Public Relations:
 - Networks (Silicon Saxony, SEMI, ...)
 - Press & Media
